

To our valued guests,

We hope you and yours are doing well and staying safe as we continue to navigate the COVID-19 pandemic. On behalf of everyone here at Meemo's Bakery and Café we sincerely thank you for your ongoing support and loyalty.

We know these past few months have been tough and we have all been concerned about getting out and around other people. As the Governor allows more businesses to open, many are still unsure about dining out. We understand this and want you to know that whenever the time is right for you, we are here and will be ready to welcome you.

REOPENING

We plan to re-open our dining room on Wednesday, May 20th.

We are so excited to safely and warmly welcome our staff back to work and our guests into our dining rooms. For your comfort and enjoyment, we have enhanced our existing stringent safety and sanitation protocols. Including additional staff training on all enhanced procedures based on CDC guidelines. See below for a list of some of the things we are doing and welcome back!

- Enhanced safety and sanitation guidelines for your comfort and enjoyment.
- Parties will maintain at least 6 feet distance apart from other parties at all times including waiting to be seated.
- Hand sanitizing stations are available near the door and near the restrooms
- Employees will wash and sanitize their hands upon entering the restaurant and in between interactions with customers.
- Table service is limited to six people per party.
- We will be using disposable menus and disposable silverware.
- Disposable salt, pepper and condiments will be provided upon request.
- We will disinfect every item that comes in contact with our guests.
- We have readily visible signage to remind everyone of the best hygiene practices.
- We clean and disinfect the area used for dining tables, chairs, countertops and walls
- We are enhancing our cleaning and sanitizing of the restaurant daily.
- We will not be seating every table in order to allow for additional space and comfort.
- To limit personal contact, service staff will only return to your table when requested.
- Service staff will enhance the use of gloves to avoid any direct hand contact with plates and glassware coming to your table.
- Drink refills will be in a clean glass or cup to prevent contact with our service machines.
- Guests will be provided an alcohol wipe to wipe their credit card and their fingers before giving to the servers.
- All pens will be sanitized prior to being delivered to your table.
- We are continuously screening our employees before coming into the restaurant to make sure that everyone is symptom-free.
 - As of now, luckily none of our employees have come into contact with anyone who is sick nor do they know anyone who is sick. We have been a very, very, lucky bunch of people and we would like that to continue.

- Employees have been trained in measures such as face covering, hand hygiene, cough etiquette, cleanliness and sanitation and these are rigorously practiced.
- When possible, employees will manage and control access to the restaurant including opening doors to prevent patrons from having to touch the door handles.
- We will continuously disinfect any and every item that comes into contact with our guests.
- Plastic sneeze guards are being added to the front desk.
- Take out is separated from dine-in.
- The kitchen and the dining room have been deep cleaned and will be sanitized continuously throughout the day.
- Restrooms have been deep cleaned and will be cleaned and sanitized every hour.
 - For your comfort we have also provided a bottle of sanitizer and paper towels in the restrooms so that you may wipe off touch surfaces if you please before using them.

The bottom line is that WE promise to do everything possible to serve your needs while protecting both your health and safety and that of our families and staff.

In closing, We would like you to read the attached copy of the Texas restaurant promise. This document makes it very clear what our promise to you is, but it also asks you to promise something to us. We all want to be safe. No one wants to get sick and we want to be able to service our guests and make them comfortable but yet keep them safe while in our restaurant. We hope to see you all soon! We fully understand if you choose to wait, but don't forget we are still offering takeout and delivery. Thank you all for your support. Stay well and stay strong!

Our deepest appreciation

Meemo & Staff
